We have conducted the 2013 TRS Retiree Position 2 Runoff Board election of the Retirement Systems of Alabama in accordance with the bylaws of the Retirement System.

- We have performed all election procedures, including ballot design, printing and mailing, Internet and Telephone vote collection and receipt of return mail ballots. Mail-in ballots, Internet and Telephone tabulation were subject to 100% verification.

Final tabulations have been completed and are attached hereto as follows:

- Election Analysis: Overview of total number of voters, voter turnout, percentage turnout by method of voting, voids and breakdown of voids.
- Statistical Results: Tabulation of voted ballots by position, by candidate, Mail-in, Internet and Telephone with total number of votes, overvotes and undervotes. Overvotes are created by a member voting for more than the allowed number of candidates and the vote is void. Undervotes are created by not voting for the maximum number of candidates allowed in a race (i.e. one).

Based upon our review of the election procedures and results, it is our opinion that the 2013 TRS Retiree Position 2 Runoff Board election of the Retirement Systems of Alabama has been carried out in accordance with the Retirement System bylaws and election rules, and the results thereof are accurately reflected in the attached exhibits.
